to show His strength in your life”*

Annual Report Forms

I received 34 Annual Reports out of 48 Councils. It still isn't too late to send me your annual report. You may send your report electronically to cn-flyfishers@storm.ca. It was a pleasure and learning experience for me as I read all the hard work that our Ladies have accomplished over the past year. I will be starting the Annual Report Book for our Convention and would like to have two highlights from all councils in the book, please send them to me if you haven't done so.

***Catch the Fire!* Is about to celebrates its first birthday**

Hopefully councils have or are planning a *Catch the Fire!* Day. Check the Diocesan website (kingston.cwl.on.ca) for the schedule of when a *Catch the Fire!* is being held. We had 10 presentations take place in 2013.

Membership Renewals

Hopefully everyone's membership drives are progressing well and that we have an increase in members this year.

League Resource Materials

While emphasis over the past year and into 2014 is *Catch the Fire!*, continue to use both the national and provincial websites for resource materials. Most materials can be down loaded free of charge. The best part of this is that since materials are a few clicks away, you need only print those pages that you require. How enviro friendly is that?

May our Lady of Good Counsel Bless you!
