To: Parish Council Past Presidents

but to do justice, and to love kindness,

Greetings Past Presidents/Historians,

I believe the above passage speaks clearly of our role as Past President/Historian.

As we journey on the final days of our League theme *We Have Seen the Lord – As People of Faith*, I am overwhelmed by the energy and renewal that I experienced at the diocesan, provincial and national conventions. It is my hope that you experienced the same while attending one or more of these conventions.

Parish Council Elections

This is an election year in many councils. Please refer to Directive #1 dated October 26, 2013.

It included:

1. Parish Council Elections Procedure
2. Short Exercise in Discernment
3. Nomination Form

The above may also be downloaded from the diocesan website at <http://kingston.cwl.on.ca>. Under Resources, click on the Election Procedures tab.

Please refer to the National Manual of Policy and Procedure 2014 – Section 7 Eligibility, Nominations and Elections (pages 101-109) as well as Constitution and By-Laws 2013 Part XVI.

Manual of Policy and Procedure Review

Further recommendations have been proposed for the Diocesan Manual of Policy and Procedure. Our manual must be in compliance with the 2014 National Manual of Policy and Procedure. These additions will aid our diocesan council to be more effective, efficient and relevant. Proposed changes to the manual must be submitted in writing to me by November 1st, 2014, in order for the Review Committee to study and discuss. Proposed amendments will be brought to the January 31st meeting.

"As Past Presidents we have a very special role in the League. We need to record the history of our councils, to reflect the love and dedication of those who went before us in service. We need to ensure that every member experiences the faith, fun and fulfillment that we have experienced and the love, peace and joy that we have been privileged to know." (Margaret Ann Jacobs, Past Provincial President)

Respectfully submitted

Kathy Huffman
