Greetings to all Recording Secretaries:

I encourage all of the Recording Secretaries to use all the technology which is available, keep in touch with your members via email, phone calls or through the internet. Encourage your members to supply their email address so that minutes and information about meetings and events can be sent out quicker than waiting until the next meeting.

Many Councils will be holding elections this fall for a new 2015 executive. Please remember to send any changes of your executive to me so that the Election Register can be kept up to date.

May Our Lady of Good Counsel bless you.

Your Sister in the League

Annette
