***"Consult not your fears but your hopes and your dreams.
Think not about your frustrations but about your unfulfilled potential.
Concern yourself not with what you tried to do and failed in,
But with what it is still possible for you to do."*** St. John XXIII

In this upcoming Year of Mercy, which began on December 8th, 2015 the Provincial Resolution Standing Committee has chosen St. John XXIII as the saint for their committee. We are asked to focus on resolutions, from the past, which relate to the spiritual and corporal works of mercy. These resolutions are still active as the government has not acted on them.

Every resolutions chair should have a copy of the national publication **"Resolutions Supplement to the Executive Handbook."** It is available on the national website (cwl.ca) which can be read online, downloaded or printed. I will not repeat what you can read on the Provincial website re: Linda Squarzolo Provincial Resolution Chairperson directive dated November 18th, 2015.

You will find that this Resolution Supplement will greatly help you on how to get started and go about the preparation of a resolution I encourage each council ensures that their resolution chairperson have one.

May God bless you as you continue the work for God and Country, may God inspire you with an idea for a resolution. It is amazing how we the Catholic Women's League of Canada have contributed to the betterment of our Country. Let continue this good work. May Our Lady of Good Counsel help us as we go forth.

Respectfully submitted,
Marjorie Facette
