

**Kingston Diocesan Council  
of  
The Catholic Women's League of Canada**

**Nancy's Notes!**

Sitting here the week after Thanksgiving I know how much we have to be thankful for, we have had some good news about Carol's cancer and are so grateful for all the prayers.

During this challenging time keeping in contact with our members is a very important role. Holding in person meetings may not be available in your parish but there are many ways to stay in touch. Using virtual meeting software, email, or conference calling. If your parish priest will allow maybe have a meeting in the Church maintaining social distance and wearing a mask. Please do what is best for each council!

The Diocesan Council executive had a zoom meeting in September to discuss the current climate and how to move forward. We discussed how to have a fall meeting with the presidents, either as a full group meeting in a church or meet three times, once in each region. There is a virtual provincial meeting happening Oct 21 and 22 and we will decide if a fall meeting is necessary to even have in person.

We will be following National's recommendation to hold office for three years. It is hoped that parish councils will be able to continue with this recommendation as well. If it isn't possible please inform us.

We are holding a wait and see position regarding our 2020/2021 Annual general meeting (Convention). According to our Bylaws and Constitution we have to have an in person meeting which at this time we can't do. Therefore all instructed votes are on hold.

Please try to continue with your donations, these organizations are dealing with this hard time as well and depend on our support.

Please know that the Diocesan Council Officers are here to help you, contact us if you need us.

Let's keep everyone in your prayers, and continue praying for a resolution to the Covid 19 pandemic.

May our Lady of Good Council guide and bless you.

Your sister in the League

Nancy Richer  
Diocesan President
