

Kingston CWL sisters,

National Hospice Palliative Care week is May 2 to 8, 2021. Since 2016, CWL National has asked parish councils to participate in '12 Hours of Prayer for Palliative Care' during this first week in May, and this year is no different. We may not be able to gather in large groups however there is still plenty we can do. National has again provided us with suggestions on how to participate, even during this difficult time. Now more than ever, we need to pray for equal access to quality palliative care for all Canadians.
