Kingston Diocesan Council

Summary of ORAL Report given at:

FALL PRESIDENTS' MEETING OCTOBER 22, 2022

Name: **Nancy Richer**

Office/Standing Committee: **Past President/Historian**

DATE: **October 22, 2022**

- Elections! You can find the process in the policy and procedure manual so I won't explain that here. I will talk about the responsibility of the nominated committee.
- A lot of the members say that they can't stand for a position as they don't have the experience. So what experience is required: the main thing is enthusiasm and a willingness to serve! Training is available contact us at the diocesan level, there is information on the national website as well.
- The committee will send out a package to every paid member giving them a date to return them.
- The committee calls those who have been nominated and asks them if they will agree to stand for the position or positions they have been nominated to. You may not tell a member how many others have been nominated to the positions or who nominated them.
- Members may be nominated for and accept a nomination to more than one position but will only be elected to one.
- The nomination and election committee must keep all nomination and election information confidential until it is presented during the election process by the chair.
- The biggest asset of the committee chair members is having a passion and enthusiasm for the league.
