

The Catholic Women's League of Canada

Kingston Diocesan Council

Summary of ORAL Report given at:

FALL PRESIDENTS' MEETING OCTOBER 22, 2022

Name: **Colleen Hill**

Office/Standing Committee: **Recording Secretary**

DATE: **October 22, 2022**

- A secretary is a 'keeper of records'. This may seem simplified, but it is an important activity in the life of the League.
- I shall endeavor to keep accurate and complete records of business conducted at meetings and conventions
- I shall ask our Patroness and St. Mark the Evangelist (Patron Saint of notaries, lawyers and secretaries) to help me to be concise, correct and to reflect the actual business conducted
- I shall make myself available to other members especially parish secretaries.
- In this role, as a member of the Officer's table, I shall try to '*Make a Difference*' by supporting our president and her executive, by being open to change, willing to work and trusting in God's plan.
- Lastly, I shall continue to cherish the sisterhood of the League as we all 'reconnect' with each other and engage fully in the League's Strategic Plan going forward.
