“How easy it is to Serve the good God”!

Ven Mother Teresa, SSND

I continue to serve as I enter my second year as your Diocesan Treasurer. I look forward to working with you whenever needed. You can contact me by email at marylouhills45@gmail.com. I encourage each council's president, secretary and treasurer to enter the president's and secretaries email addresses into the membership system, of which many of you are familiar, so that you can receive information electronically. If you would like to have any correspondence from me, by email, please send me your email address.

Since the National Office has discontinued the twice-yearly parish council mailings, I recommend that you visit National's newly designed website. Recently, I received information on National's Bursary. It seems many members are applying for the bursary in order to pursue studies that promote the objects of the League. Further information on the fund can be found in Dorothy Johnson's, National Secretary-Treasurer, Communique' #02 of August 30, 2023. In her communique' she addresses the criteria for which the fund can be used. The National, Provincial and Diocesan websites contain a wealth of information on recruiting new members, assistance with meetings, resources, workshops and speakers, for example. The Diocesan website has links to both as well.

Just as I began preparing this directive to assist the Diocesan Council for the 2024 fiscal year, I realize that you as well are also preparing the year end reports that are included in annual reports, and consulting with your executive to prepare a budget for the next fiscal year. In so doing I highly recommend you consult the Guidelines for Treasurers. It is an excellent guide, especially for newly elected treasurers.

Please print the attached reports and bring them with you to the meeting on Saturday, October 21st.

Respectfully submitted.
