**From:** Karen Mulvihill, Diocesan Chairperson of Resolutions  
**CC:** Diocesan Executive, Provincial Chairpersons of Resolutions

---

*"Be patient with everyone, but above all with thyself. I mean, do not be disheartened by your imperfections, but always rise up with fresh courage."  
-Francis De sales*

Dear Sisters in the League,

On the national website ([www.cwl.ca](http://www.cwl.ca)), you will find many useful resources and workshops to inform yourself, and your members, on several topics. In terms of resolutions, I encourage you to go to the Resources tab, and select Workshops. Workshop 833A is a PowerPoint presentation on the steps to research, draft, and submit a resolution. Workshop 833B is the Presentation Guidelines and Speaker notes.

Councils may consider researching a local, provincial, or federal issue they feel passionate about. There may be other nearby councils also interested in similar concerns. A working group could be formed by individuals from more than one parish council. Ladies could form a research sub-group, a writing sub-group, and an editing sub-group. Many hands make light work.

Do not fear tackling a resolution. Embrace the opportunity to join our collective voices. We can play a pivotal role in being the solution to injustices we see in the world around us.

Respectfully submitted.
